**Important Information To All Competitors & Car Owners:** ALL Lancaster National Speedway and Dragway race winnings will be paid by check. All driver payouts from the Nostalgia weekend will be available Friday August 11. If not picked up, they will be mailed. It is critical that all drivers have a W9 (W8 for our Canadian competitors) on file! Forms are available in the tower or office. Completed forms can be turned in to the tower or the office. We are sorry if this inconveniences anyone. This will also ensure that winners receive the money they earn as racers are often unaware that they have money coming! Racers can check with Sharon Hughes to see the payout sheet if they're not sure. All racers will receive a receipt at the back gate when they pay their entry fee. They must keep the receipt for a rain check.
