2018 Stock Car Pit Pad Rental Agreement is as follows:

- ALL pit pads **MUST** have a registered car number and driver on each pad, not just a name
- By signing this agreement, you are reserving the right to a pit spot for all point races and for your divisional event at the US Open. If your division is not in competition on any particular night, Lancaster National Speedway management reserves the right to utilize the Pit Pad as needed
- Let us know if you are letting another driver use your spot for any event
- Please let us know if you will not be there on a show night so another racer can use your spot.
- Please keep all pit spaces clean of garbage, tires, oil, parts, etc. (In the event that a tire is left in and/or on your pit space a \$10 disposal fee, per tire, will be charged at the next event you attend).
- You will be liable for any damage to the property when you are occupying your spot
- Cost is \$100 for pit pad rental prior to March 17, 2018 and \$115 for pit pad rental afterwards.
